

# Changes to Service

March 30, 2024

Starting on March 30, you'll have more travel options in the Snohomish County community and better connections across the region. This includes more bus service with greater frequency.

Visit [ctgo.org/march2024](https://ctgo.org/march2024) to learn more and watch videos about how your route is changing.

## Plan your trip

Most route schedules will change slightly. Visit **communitytransit.org** and select **Plan My Trip** to determine the best route and schedule for you. Be sure to set the departure or arrival time to March 30 or later to see the new schedule.

## View the new route schedules

In March, visit **communitytransit.org** and select **Maps & Schedules** to see the preview schedule for your route. Be sure to select the preview schedules for the March 30, 2024 service change.

You will find updated bus schedules at **bus stops** by March 30. You may notice updated bus schedules on poles at bus stops prior to this date. Changes will not go into effect until March 30.

## Need more information, or help planning your new route or printing bus schedules?
